

## Who We Are

Ottawa Health Services Network Inc. (OHSNI) is a not-for-profit organization established in 1997. The primary service provided by OHSNI is to coordinate specialist and tertiary health care, in both Ottawa and Iqaluit, for residents of the Qikiqtani region of Nunavut.

## What we Do- Case Management Services

Our case managers provide support with all aspects of your medical needs while you are in Ottawa and with follow up care when you return home. If necessary, a nurse case manager assigned to your care will contact you to see how you are doing and offer assistance while you are in Ottawa.

Once you arrive in Ottawa, if you are not staying at Larga Baffin please contact our office at (613) 523-7822 ext. 151 and leave your contact information. This will not be necessary if you are staying at Larga Baffin.

If you have any questions or problems with your appointments, please contact our office during business hours (8am-5pm) and we can assist you.

You can also reach us with urgent questions or to request the services of an interpreter by calling the On Call Pager at: (613) 364-5184
